Updated Guidelines for Filipinos arriving in the Philippines

Advisory on the Arrival of Returning Filipinos in the Philippines

The Philippine Embassy in Islamabad wishes to inform all our *kababayan* of the attached eight-step guide for returning overseas Filipino workers (OFWs) and overseas Filipinos (OFs) upon arrival in the Philippines (pls see Annex A):

Electronic Case Investigation Form (e-CIF) and Swab Testing

- All **returning OFWs** are strongly encouraged to register and fill out the **electronic Case Investigation Form (e-CIF)** at <https://e-cif.redcross.org.ph/> prior to their scheduled arrival in the Philippines to secure their own QR code for the COVID-19 RT-PCR Testing to be administered by the Philippine Red Cross.
- For **returning OFs (non-OFWs)**, COVID-19 testing may be administered by **private testing facilities** located at each terminal in the airport. All returning OFs are requested to accomplish the e-CIF of their chosen private testing facility upon arrival at the airport.

Quarantine Facilities

- The list of facilities suitable for mandatory and stringent quarantine (pls. see Annex B) inspected by the Department of Health – Bureau of Quarantine as of 30 July 2020, can be accessed at <http://quarantine.doh.gov.ph/facilities-inspected-as-of-july-30-2020/>. Returning OFs are encouraged to pre-book their respective quarantine facilities.

Release of Swab Test Results

- Kindly note that while Annex A indicates that the results will be released within 72 hours, delays may be experienced due to the rise of COVID-19 positive cases in the Philippines.

General Reminders

- All returning OFWs and OFs are kindly requested to secure a valid and active email address and mobile number prior to arrival in the Philippines for easier transaction upon arrival at the airport.
