TECHNICAL SPECIFICATION

PROCUREMENT OF THREE (3) SATELLITE PHONES

	Specifications	
I.	Objective To provide secure, reliable, and high-performance satellite phones for Embassy personnel. The device is intended for use in areas with limited or no GSM coverage and is critical for emergency preparedness, field communications, and mission-critical operations. The Satellite phone be capable of: 1. Seamless voice communication via satellite network 2. GPS, Glonass, and BeiDou navigation support 3. Dedicated SOS emergency function 4. Long battery life for field deployment 5. Rugged operation in extreme environmental conditions	
II.	Supplier's Obligations The Supplier shall be responsible for the following: 1. Provide original, brand-new units with sealed packaging. 2. Ensure that firmware is updated and devices are tested prior to delivery. 3. Deliver all specified accessories and provide warranty documentation. 4. Provide user orientation or device demonstration upon request. 5. Replace any defective unit within the warranty period as per Terms.	Statement of Compliance
VI.	Roles and Responsibilities 1. Ensure devices are delivered to the Embassy in secure, working condition. 2. Configure basic settings upon request (e.g., time zone, language, SOS contacts). 3. Assist in SIM activation process where applicable. 4. Provide a copy of the user manual and quick-start guide for each device. 5. Secure device serial numbers and provide tracking sheet of deliveries.	
VII.	Terms of payment: The Supplier shall be paid within thirty (30) calendar days	

	after the delivery of goods and submission of the following: - Valid sales invoice - Warranty Certificate	
VIII.	Liability Clauses 1. The Embassy reserves the right to reject any unit found to be defective or non-compliant. 2. Non-delivery within the agreed timeframe may result in financial penalties or contract cancellation. 3. Any damage during shipment or delivery shall be borne by the Supplier.	
IX.	Confidentiality Clause The Supplier shall ensure confidentiality of all information related to the Embassy's communications infrastructure and personnel.	

Note:

Bidder must state compliance to each of the provisions in the Terms of Reference/Technical Specifications. The Statement of Compliance must be signed by the authorized representative of the Bidder, with proof of authority to sign and submit the bid for and in behalf of the Bidder concerned. If the Bidder is a joint venture, the representative must have authority to sign for and in behalf of the partners to the joint venture. All documentary requirements should be submitted on or before the deadline for the submission of bids.

Bidders must state here either "Comply" or "Cannot Comply" against each of the individual parameters of each Specification stating the corresponding performance parameter of the equipment offered. Statements of "Comply" or "Cannot Comply" must be supported by evidence in a Bidders Bid and cross-referenced to that evidence. Evidence shall be in the form of manufacturer's un-amended sales literature, unconditional statements of specification and compliance issued by the manufacturer, samples, independent test data etc., as appropriate. A statement that is not supported by evidence or is subsequently found to be contradicted by the evidence presented will render the Bid under evaluation liable for rejection. A statement either in the Bidders statement of compliance or the supporting evidence that is found to be false either during Bid evaluation, post-qualification or the execution of the Contract may be regarded as fraudulent and render the Bidder or supplier liable for prosecution.
