

**Republic of the Philippines**  
**PHILIPPINE EMBASSY IN ISLAMABAD**  
**Bids and Awards Committee (BAC)**

**MINUTES OF THE OPENING OF BIDS**

Project: Procurement of Generator Sets for the Philippine Embassy in Islamabad  
Mode: Public Bidding (RA 9184)  
Date: 4 December 2025  
Time: 10:14am  
Venue: Embassy Conference Room

**I. CALL TO ORDER**

The Bids and Awards Committee (BAC) convened the Opening of Bids for the Procurement of Generator Sets for the Embassy Complex. The Chair welcomed all attendees, reminded participants that the proceedings are formal and recorded, and noted that no comments or interruptions would be entertained during evaluations. Any concerns may be submitted in writing to the BAC Secretariat.

Each bidder submitted two sealed envelopes: Technical Proposal and Financial Proposal. The BAC reiterated the key technical requirements prior to the opening.

**II. INTRODUCTION OF THE BIDDING PROCESS**

The BAC welcomed the bidders and observers and provided an overview of the procurement procedures. He explained the two-envelope system and emphasized that only bidders who pass the technical evaluation will have their financial proposals opened. Proceedings are formal and recorded, and clarifications must be submitted in writing after the session.

**III. OPENING AND EVALUATION OF BIDS**

**1. ALLIED ENGINEERING SERVICES**

Result: FAILED Technical Evaluation – Warranty noncompliant (offered 2 years / 1,000 hours instead of required 3 years / 3,000 hours). Financial proposal not opened.

## **2. ENERGY SOLUTIONS PVT. LTD.**
