Guidelines for COVID-19 Vaccination in Pakistan

The Embassy of the Republic of the Philippines in Pakistan encourages Filipinos to **get vaccinated** for their own safety and in solidarity with the global effort to contain the COVID-19 pandemic.

Employers/Foreign Placement Agencies as principals are primarily responsible for ensuring that **Overseas Filipino Workers** are vaccinated upon their request. Foreigners are also free to **register themselves** on the Nadra website and go to a vaccination center on their own.

Below are detailed guidelines including information on vaccination sites in major cities (Islamabad, Lahore and Karachi). Note that as per the Pakistan Government, **vaccination is free**, but a fee may be paid to Nadra for the certificate.

1. REGISTRATION

Foreign Nationals can register for Covid-19 Vaccination program.
