

PRESS RELEASE

Philippine Embassy Conducts Self-defense Session in conjunction with the 2018 Campaign to End Violence Against Women and Children

14 Dec 2018, Islamabad--- The Philippine Embassy in Islamabad conducted a self-defense session on 12 December 2018 as its contribution to the government's 2018 campaign to end violence against women and children (VAWC). The said activity was participated by the Embassy personnel, together with family as well as outsourced employees of the Embassy.

Mr. Syed Ikram was invited to be the instructor for the self-defense session while Lt. Col. Charlotte Galvez of the Philippine Army provided a short speech on women empowerment and the background on the Philippine's campaign to end violence against women and children (VAWC). Lt. Col. Galvez recently completed a two-week course "United Nations Protection of Civilian Course" at the Center for International Peace and Stability, Islamabad. END

The personnel of Islamabad PE together with family as well as outsourced employees of the Embassy during the self-defense session held on 12 Dec 2018.
