PE Advisory

**PUBLIC ADVISORY ON ONGOING INVESTIGATIONS
AND COVID-19 PREVENTION MEASURES**

1. The Philippine Embassy expresses absolute confidence in the Pakistan government, particularly in its capacity to hold perpetrators accountable through swift and fair due process. Likewise, the Philippine Embassy has been assured of full cooperation by relevant Pakistani agencies in bringing justice to those aggrieved. Any information relevant to the said cases may be sent to islamabad.pe@dfa.gov.ph for proper coordination. In relation, we remind our Kabayans in Pakistan to refrain from commenting and sharing unverified information on the ongoing cases in Lahore (reports of rape and physical threat/abuse by the CEO of a private placement agency), and Karachi (death of a Filipina), both of which are under official investigation.

2. In line with the celebration of Eid'l Adha, the Embassy reminds the Filipino community to continue practicing COVID-19 prevention measures such as avoiding public gatherings, holding non-essential travel, wearing appropriate PPEs, and practicing social distancing.
